

Member Privacy and Use of Web Page

We recognize that in the electronic age, it is both increasingly difficult and important to protect the privacy of our members. With this in mind, DVCSNE will implement the following procedures:

1. All e-mail communications to the membership-at-large will be made by “blind copy.”
2. The e-mail and mailing label lists will be shared with other non-profit organizations and educational institutions for the purposes of networking and information sharing, with the approval of the Board, and only when the information to be distributed is consistent with DVCSNE’s mission. Reimbursement will be requested for the cost of mailing labels.
3. The e-mail and mailing label lists will not be offered to others for commercial use. Similarly, members will be expected to refrain from using the hard copy or the online, password-protected membership directory for commercial purposes.
4. Members may request to have non-DVCSNE grants, scholarships, and educational programs, consistent with DVCSNE’s mission, posted on the Web page. These will be posted in a timely manner, with the approval of the Board.
